**Core Values**

Kingdom Education is a life-long, Bible-based, Christ-centered process of leading a child to Christ, building a child up in Christ, and equipping a child to serve Christ. In order to accomplish this we will be guided by the core values that follow:

- We are committed to the conviction that Jesus Christ is the divine Son of God, the only way of salvation, and is the only way to Heaven and eternal life. Therefore, all functions and activities of the school are directed toward honoring and advancing His name.
- We are committed to the Bible as the inspired, inerrant, and infallible Word of God and believe that it is the sole source of our Christian beliefs. It is the basis for the education of students and the administration of the school's affairs.
- We are committed to fulfilling Christ's Great Commission to make disciples of all nations.
- We are committed to the expectation that our faculty and staff must exhibit godly, Christian character.
- We are committed to teaching foundational Christian doctrines and Christ-centered academic disciplines.
- We are committed to all teachers having a personal relationship with Jesus Christ, being well-grounded in the Christian faith, being an active member of a doctrinally conservative church, and modeling Christ in their teaching and leading, and daily walk.
- We are committed to providing the highest spiritual and academic education while being consistent with the Biblical principles of stewardship.
